

Requirements for Recertification Pediatric Physical Therapy

1. Certification Status

Applicants must hold current certification as a Pediatric physical therapy specialist by the American Board of Physical Therapy Specialties.

2. License

Applicants must hold a current license to practice physical therapy in the United States, the District of Columbia, Puerto Rico, or the Virgin Islands.

3. Fees

Applicants will be required to pay an assessment review fee of \$650 for APTA members or \$910 for non-APTA members.

Recertification applications are to be **completed online by October 31st**. Recertification candidates, who are unable to submit their application by this deadline, must contact APTA's Recertification Program to request a one-month extension of the application deadline. **A late application fee of \$300** will be charged and late applications must be completed online by **November 30th**.

4. Patient Care Experience

Candidates are required to document evidence of continued direct patient care activities in the specialty area, the equivalent of 200 hours per year since the date of most recent certification. Certified specialists are permitted to recertify up to 3 years prior to their certification expiration date. 200 of the total hours **must** have occurred within the last three [3] years.

Direct patient care in the specialty area must include activities in each of the elements of patient/client management applicable to the specialty area and included in *Description of Specialty Practice* (DSP). These elements, as defined in the *Guide to Physical Therapist Practice*, are examination, evaluation, diagnosis, prognosis, and intervention.

5. Assessment Options

Candidates must obtain a passing score on one of the following assessment options:

Option 1 • Current Certification Examination

The applicant must sit for and pass a written examination that tests the application of advanced knowledge and clinical skills identified in the *Pediatric Physical Therapy: Description of Specialty Practice* (DSP) ©, 2002. Refer to DSP book for detailed information on the exam content.

Option 2 • Professional Development Portfolio (PDP) – see next page for PDP requirements.

Option 3 • APTA-accredited post professional clinical residency

Applicants must submit evidence of successful completion of an APTA-accredited post professional Pediatric clinical residency

Pediatric Professional Development Portfolio Requirements

1. Candidates must submit evidence of ongoing professional and educational development that has occurred since their most recent certification in the appropriate format. **Please contact a member of APTA's Specialist Certification Program, the Pediatric Specialty Council, or ABPTS if you are not sure whether an activity can be included in the PDP, or if you have questions about where to record the activity on the PDP form.**
2. Candidates must indicate and submit evidence for professional development activities that relate to: increasing knowledge and skill in pediatric physical therapy; providing a contribution to the specialty practice of pediatric physical therapy; or continuing clinical excellence in the provision of pediatric patient care.
3. Candidates must have obtained a minimum of **thirty-five [35]** professional development activity points. **Please do not document in excess of sixty [60] professional development activity points when preparing your PDP.**
4. Candidates must obtain professional development activity points in at least **four [4] of the nine [9]** approved professional development activity categories (eg, professional presentations, publications, professional writing, clinical supervision). Candidates must earn **at least one [1] point in any one activity category** to count it toward this requirement. The activity categories, point values, and maximum points allowed for direct patient care follow on a separate page.
5. Candidates must document professional development activities that reflect the content of the *Pediatric Physical Therapy: Description of Specialty Practice (DSP)*. For this purpose, the DSP components have been grouped into two major categories:

A: Professional Roles (7 points minimum)

This category includes the following Approved Professional Development Activities

- #4 Teaching a continuing education course
